

A round of the Endurance Road Rally Championship 2011.

Since it's conversion from a traditional road rally to the endurance format in 2007, we have developed and improved "The Bullnose" attracting an ever increasing entry year on year.

2010 winners
Jamie Turner and Andrew Dadswell

2010 saw 55 crews compete over 57 miles of surfaces ranging from tarmac, gravel and stubble fields, and we hope to build on this for 2011.

So come and join us for a summer's day out in Oxfordshire. You will be assured of a warm welcome on 3rd September.
