

Rally Preparation Services Ltd

We are delighted to announce that RPS are backing Endurance Rallying for 2012 by offering all registered ERRC contenders the following:-

10% discount off all workshop build & maintenance fees at the current workshop rate, before vat.

Discount on recommended retail price for all component parts purchases before vat (depending on part. supplier and availability) either during workshop build, maintenance or as standalone purchases.

To include parts or equipment supplied or fitted by RPS from the following list, from some of our preferred suppliers:

- Brantz
- Monit
- Safety Devices
- Luke Harness'
- Corbeau Seats
- Mintex Brakes
- Piaa
- Compomotive Wheels
- Avanti Map Lights
- Any Preparation Products such as Bonnet Pins, Mud Flap Material, Spot Lamp Steadies, Stone Guards etc
- Or any enquiry to purchase through RPS we will discount the retail price down to show a discount. For example, we get preferential rates through the likes of Demon Tweaks as a name everybody knows along with other major suppliers so I am happy to "share" such discounts with competitors who are registered in the championship.
